LA MEZCLA '57

# FOREWORD

**BUILDING FOR THE FUTURE** is the theme for La Mezcla this year.

Just as workmen, architects, and engineers plan and construct new buildings for future generations of Armijo students, so freshmen, sophomores, juniors and seniors dig for facts, follow counselors' blueprints, and erect their own framework of skills and understandings, of mental, social, and physical development which will prepare them to meet the problems of tomorrow.

La Mezcla—a Spanish word meaning the mixture—was a name chosen many years ago. In this volume the staff has brought together a mixture of miscellaneous happenings in 1956-1957 to provide you with fond memories and the mortar to tie together this year in which we have built for the future.

"and  
then  
the  
two  
dropped  
to  
the  
cove  
and  
watched  
the  
great  
sea  
fall,  
wave  
after  
wave,  
each  
mightier  
than  
the  
last . . ."

## DEDICATION

To Mrs. Irene De Long, we the class of 1957 dedicate this La Mezcla.

For many years this lady has been framing the future for Armijo students. Sir Launcelot, Guinevere, King Arthur, Roderick Dhu, Portia, and Shylock have lived with us in her classrooms and like the mottoes which daily speak from her blackboard will go with us as we leave to take our next steps.

To Mrs. De Long—thank you and good-bye—and good luck in the rest of your years at Armijo.

Mrs. HARRIS

## BOARD OF TRUSTEES

Mr. HALE

Working behind the scenes at Armijo, setting overall policy, approving the use of local school funds, making the decisions which say "go ahead" to the building program, is a group of public-minded citizens known as the Board of Trustees. These are busy men and women, chosen by the community, to serve the community and its future citizens. For the unselfish donation of their time, energy, and thoughtfulness the class of 1957 says, "Thank you."

# PRINCIPAL'S MESSAGE

The theme, "Building for the Future," is certainly a timely one today at Armijo for the administration and the Board of Trustees. We are busily engaged in all the planning and detail necessary for the construction of a new Armijo High School plant. It will be complete with science laboratories, shops, library, and all the other facilities to make education more effective. This fine new plant will be ready in 1959 to meet the needs of the increasing number of students of tomorrow.

But in a larger sense, Armijo does not consist of buildings, halls, or classrooms; these are but temporary structures. The REAL ARMIJO lies in the traditions, the spirit, the enthusiasms, the ideals, the industry, the co-operation, and the achievements of all the students and teachers, past and present, who have come this way. This is the REAL ARMIJO; and although it defies definition, analysis, or measurement, it is more real and enduring than any building or structure.

I am highly honored at having the opportunity of being a small part of this GREATER ARMIJO. An Armijo which develops in its students a real sense of the democratic responsibilities as well as rights and privileges; an Armijo whose students have a true sense of appreciation for the ideals of human dignity and individual worth; an Armijo whose staff and youth work together, in understanding and harmony, in the never ending search for truth, beauty, and knowledge. This is the REAL ARMIJO that I have found here and which we today are continuing to build. This is the Armijo which, in co-operation with all other like institutions in our nation and democratic world, is building in the youth of today, that character, self-reliance, industry, tolerance, patience, and understanding necessary for the solution of the unforeseen problems of that world of tomorrow.

I commend you for your past work and have every confidence in your future.

# SENIORS

As we mounted the granite steps, passed through the swinging doors, and entered into the halls of Armijo for the first time, we also entered into a new way of life. We were young men and women, and we were treated as such. It was hard to accept at first, but gradually we began to see a little more clearly. We chose Keith Hayes to lead our freshman class as president, with Mel Mulanax, vice-president, and Marieta Johnson, secretary.

A year passed and we were no longer frivolous freshmen but sophomores. Bob Lozano was elected to direct our activities as president, Jack Tsuji as vice-president, and Mona Anderson, secretary. A Moonlight and Roses theme was carried out at our Sophomore Hop with Alan Rossi and Anna Royston as Sophomore King and Queen.

The next year found us upper classmen—Juniors. Alan Rossi, Larry Stanley, and Sharon Van Scyoc proved to be most worthy for officer positions in the eyes of their classmates. Once again it was an eventful, fun-filled year. An Underwater theme was chosen for the Junior Prom and the year ended with the election of John Anabo, as president of the Student Body, with Jack Tsuji, vice-president, and Mona Anderson, secretary.

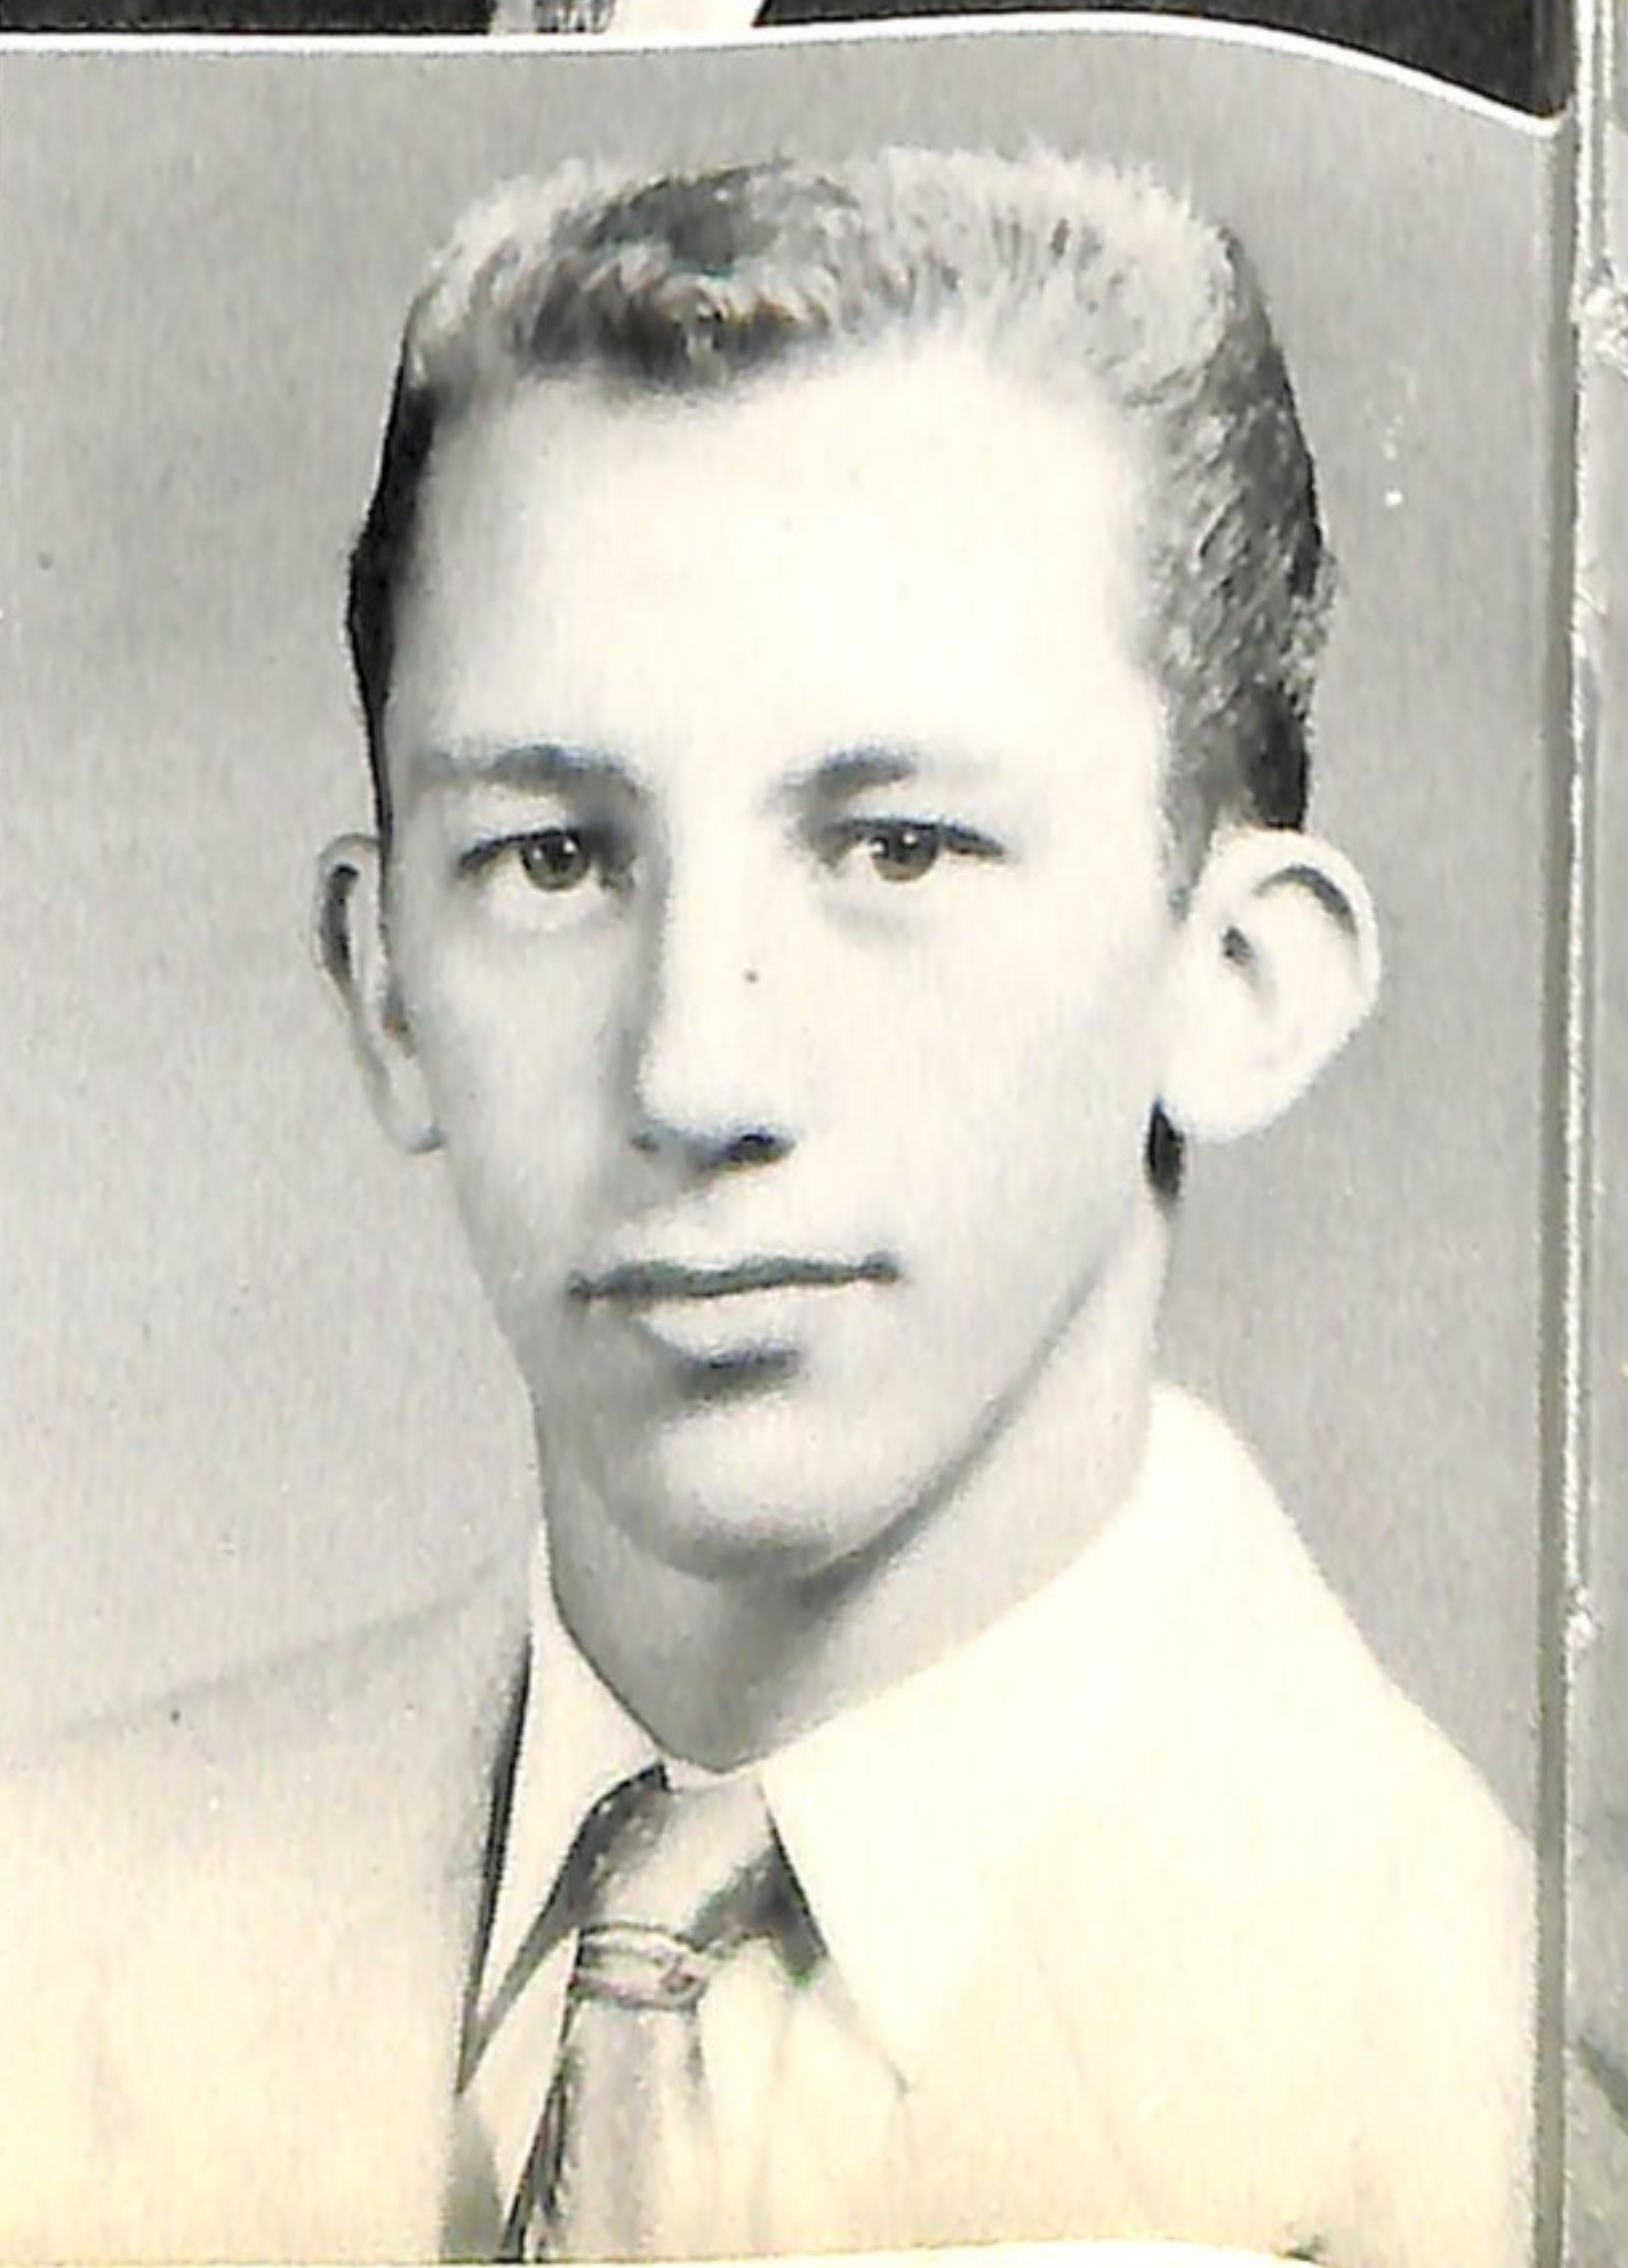

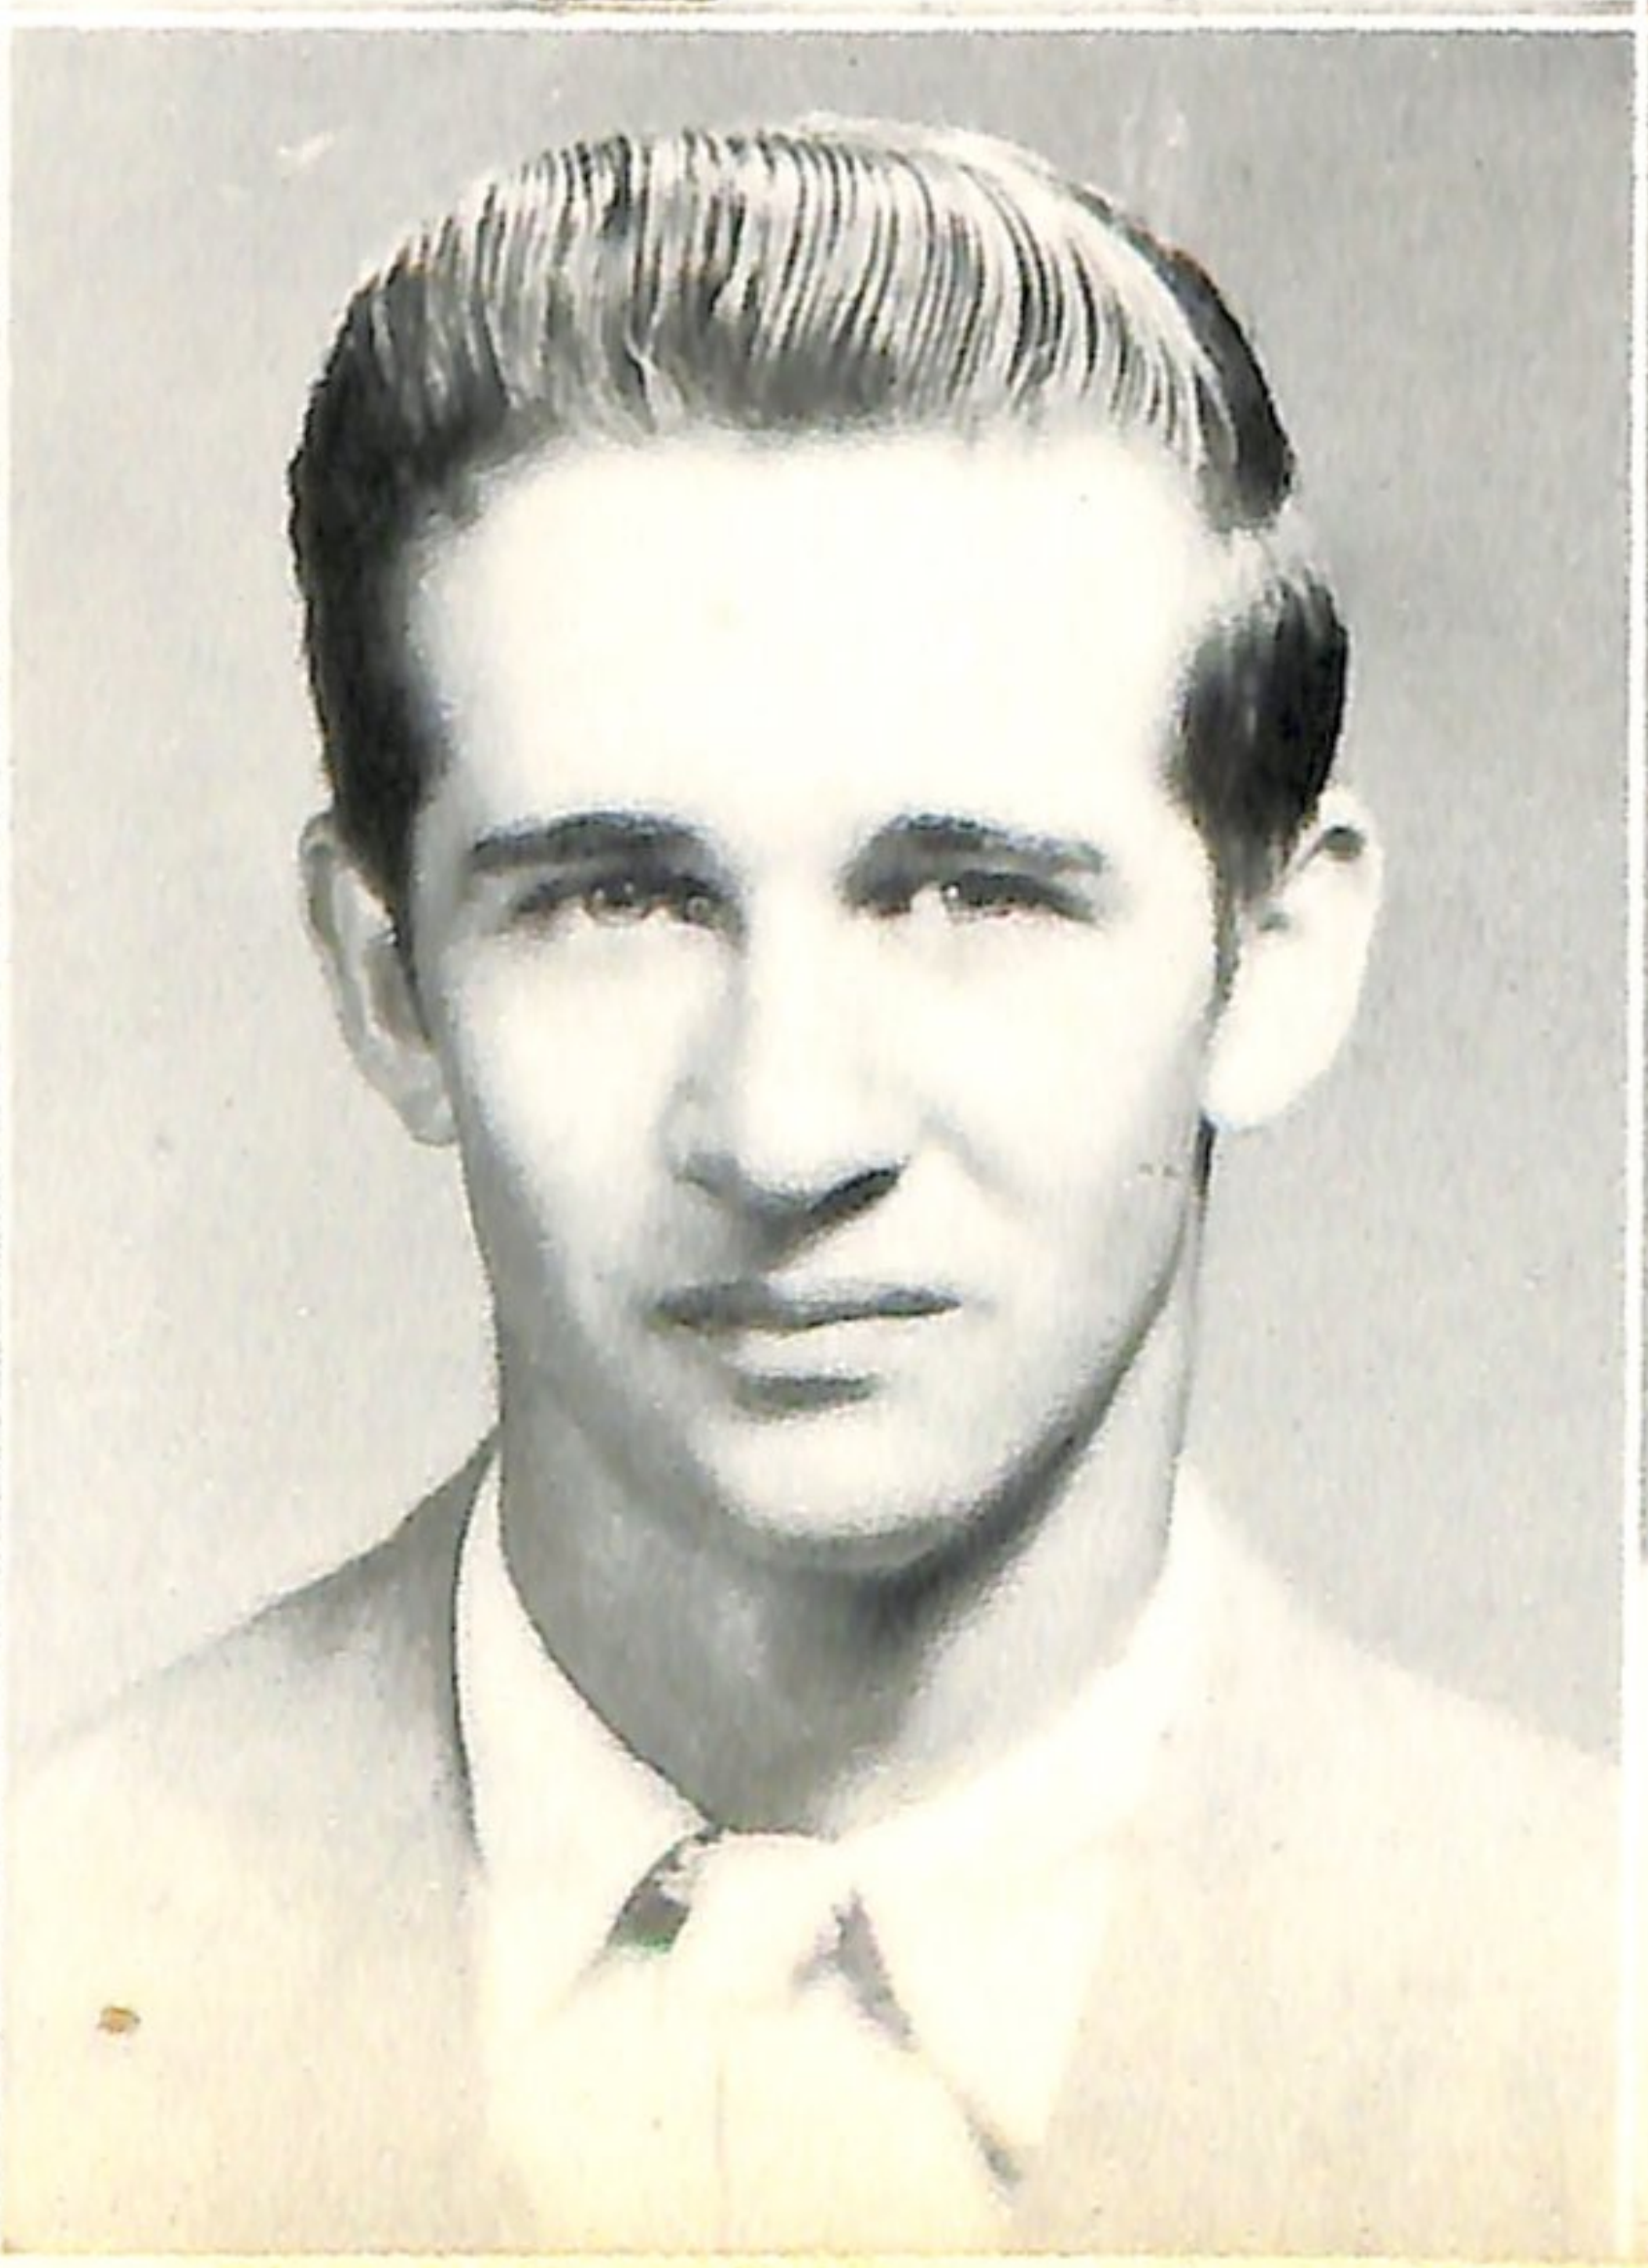

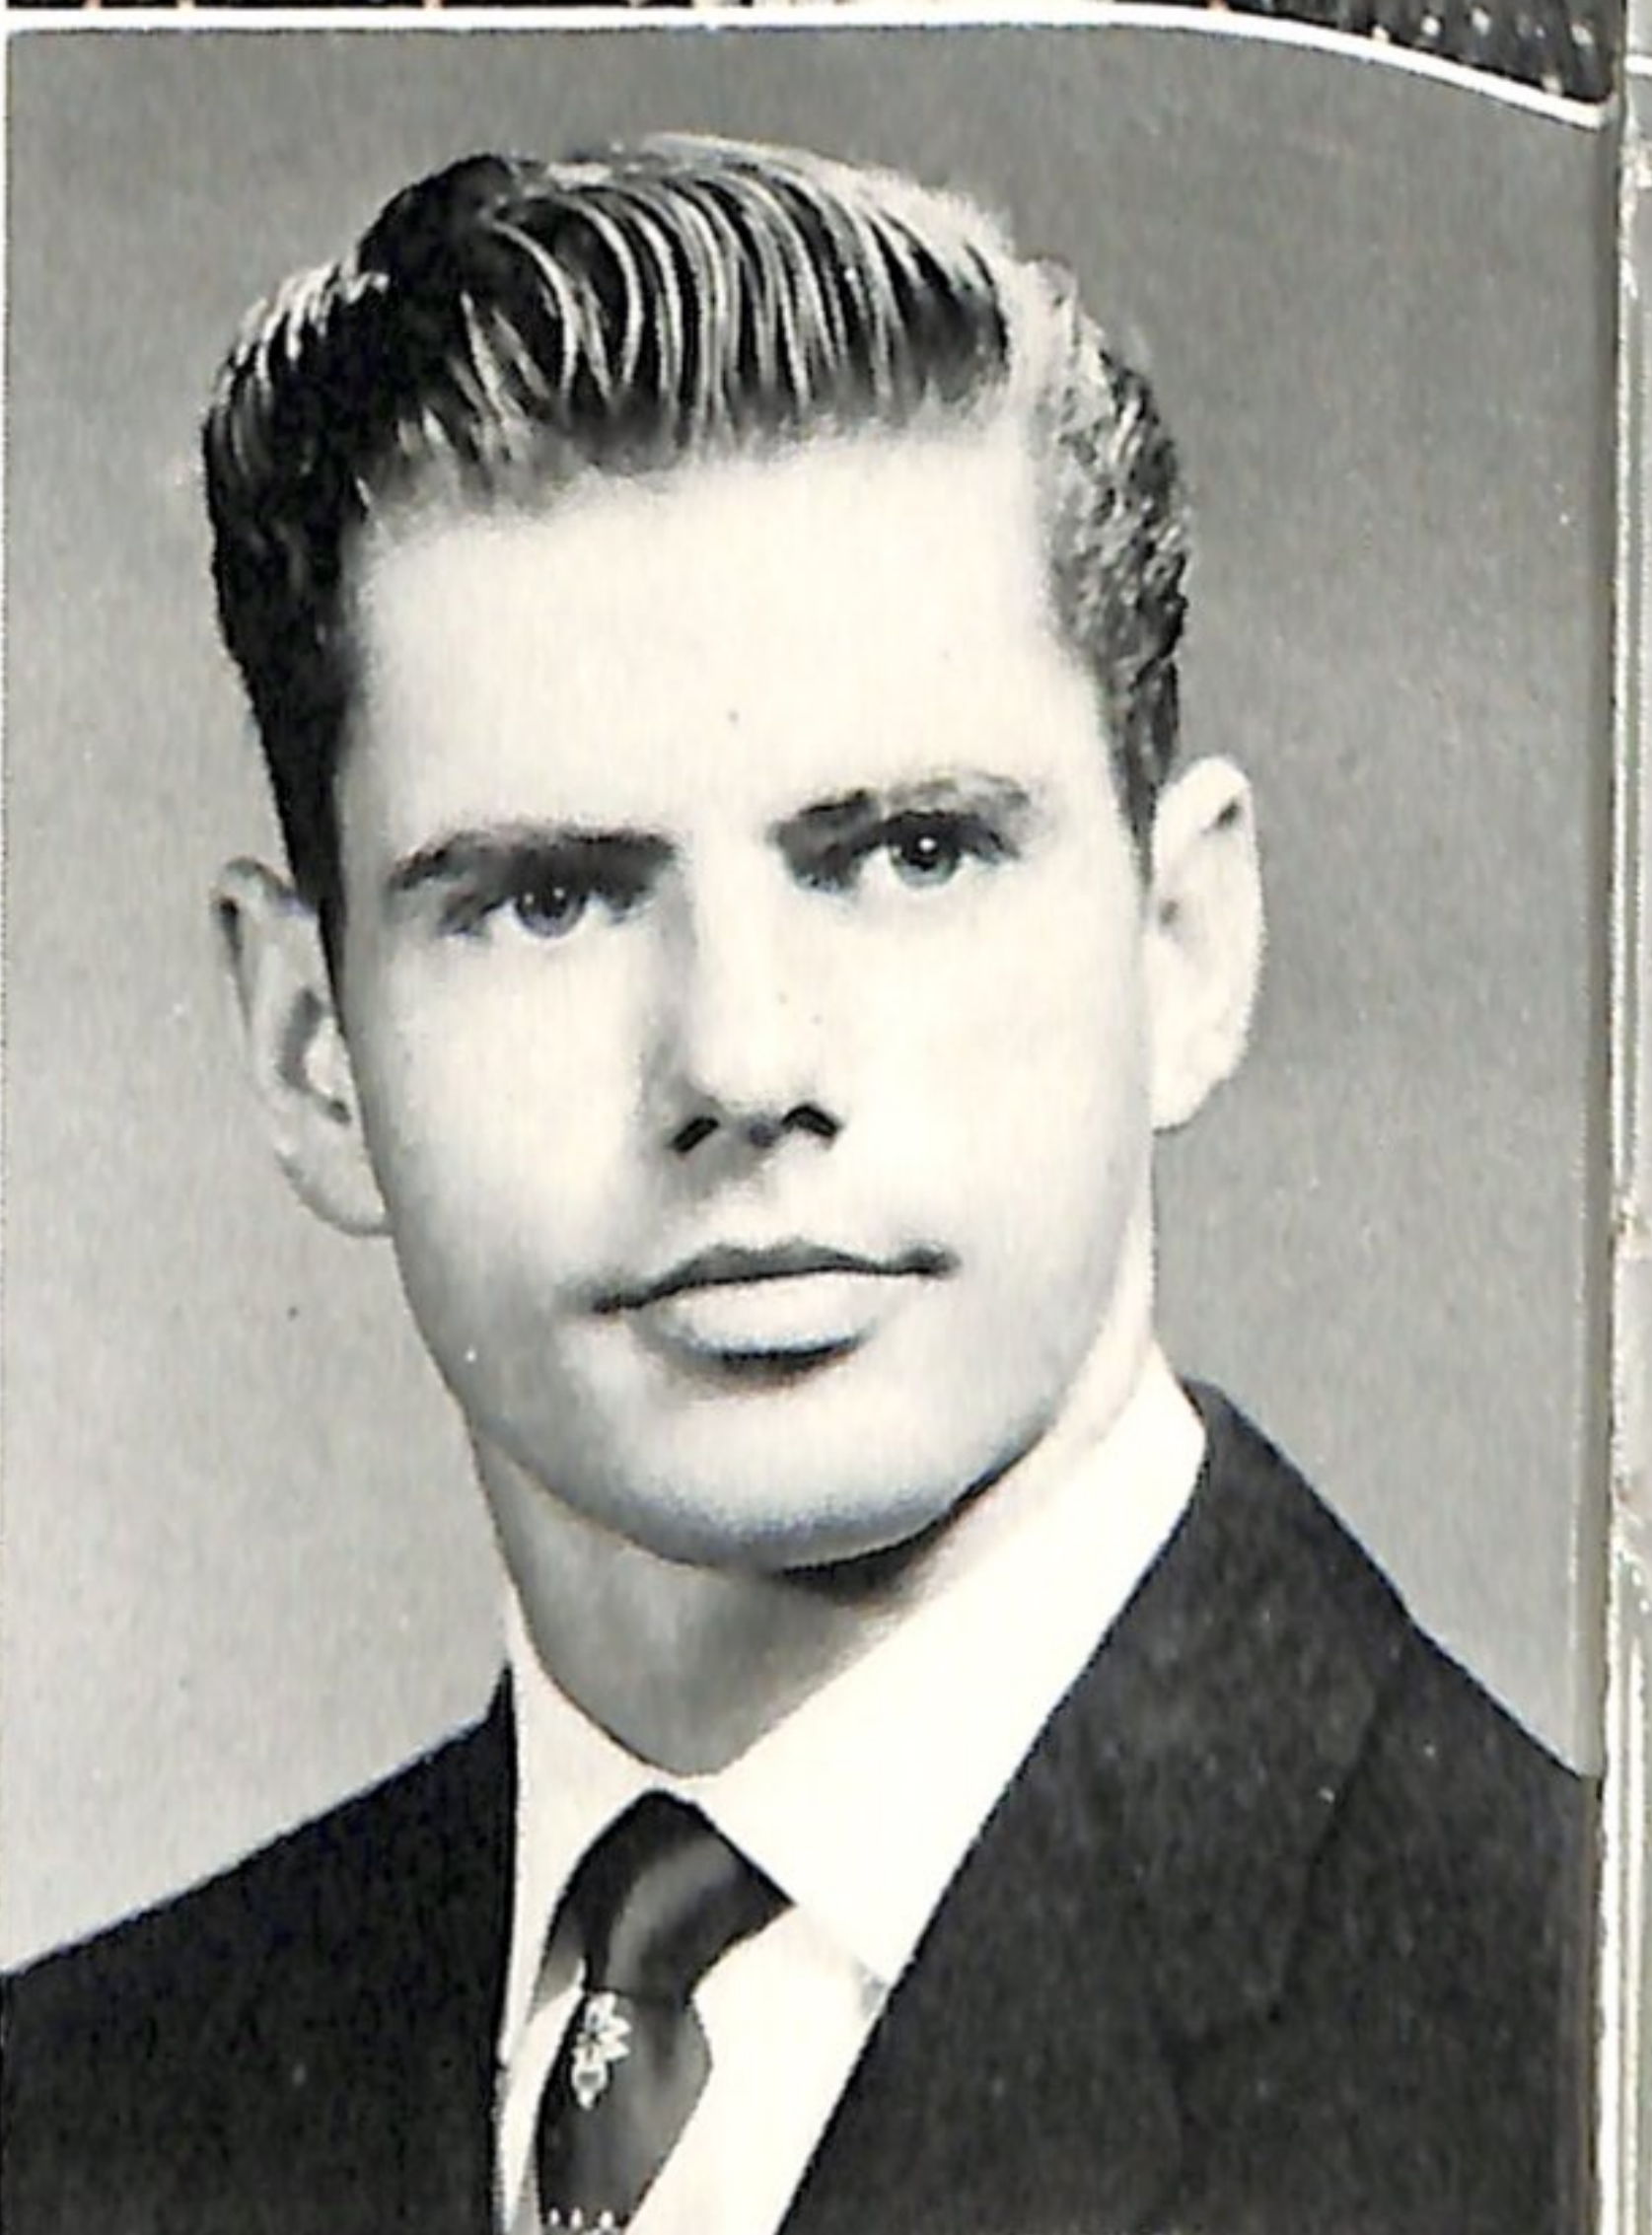

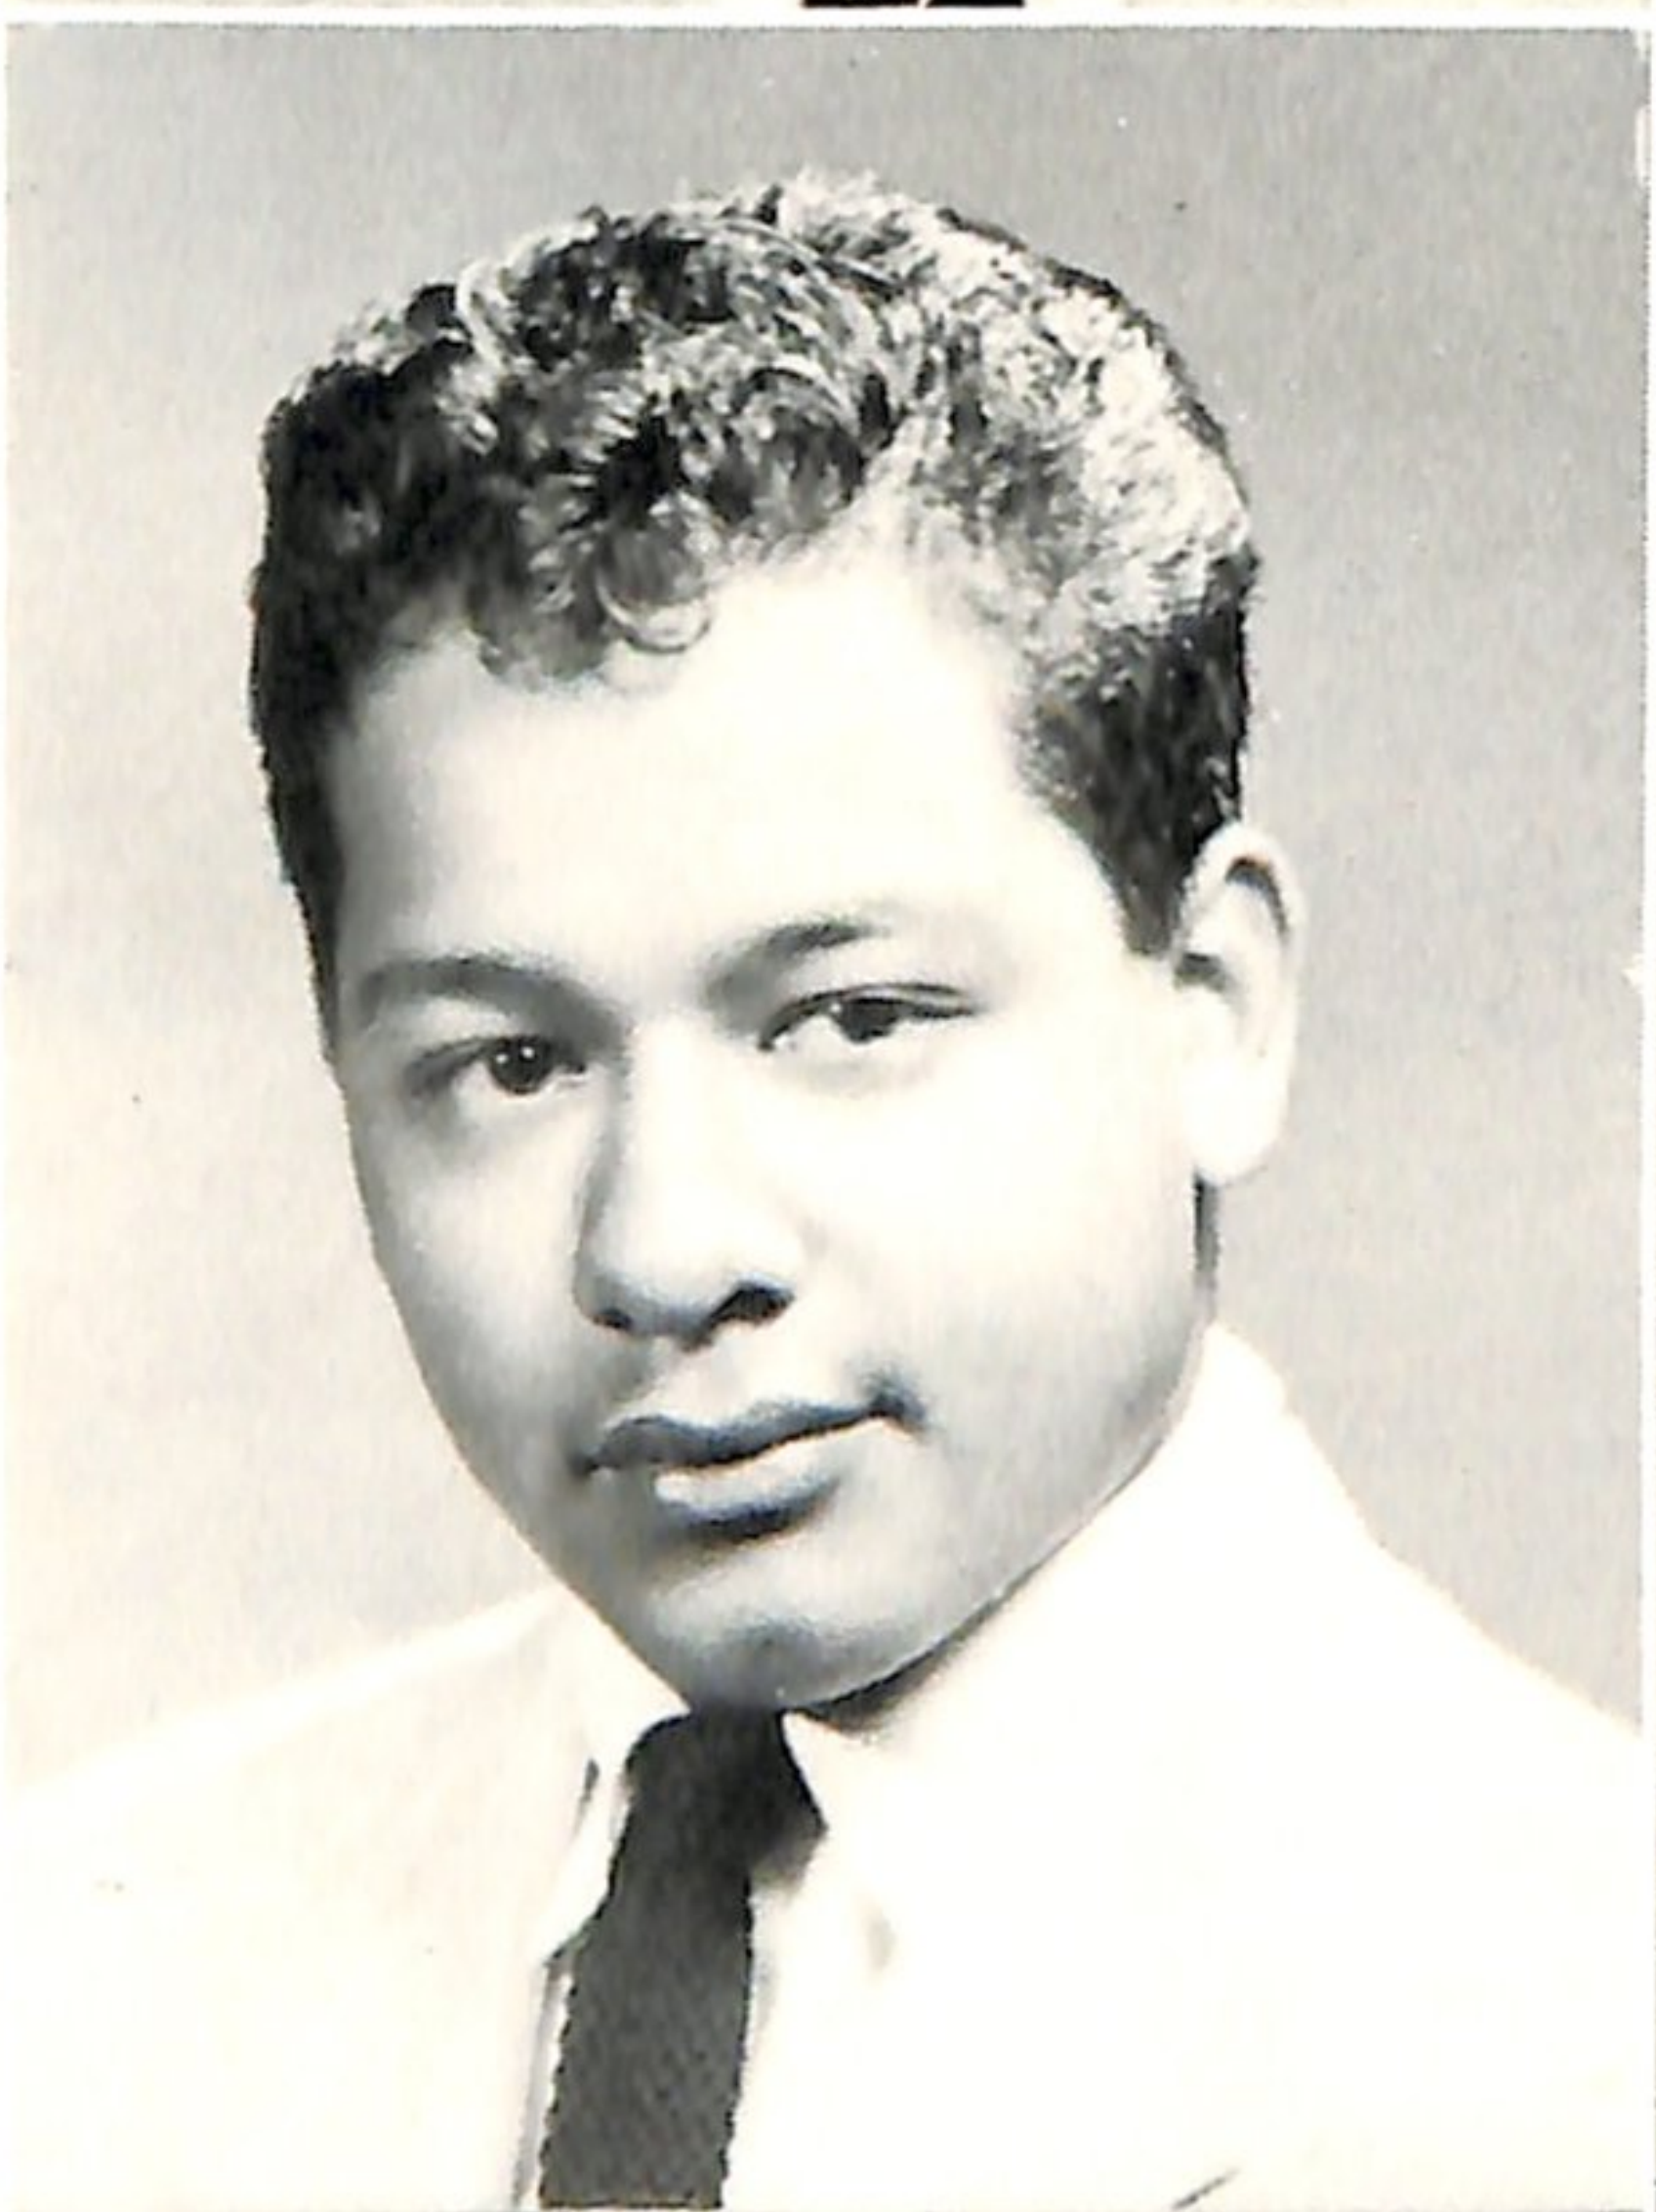

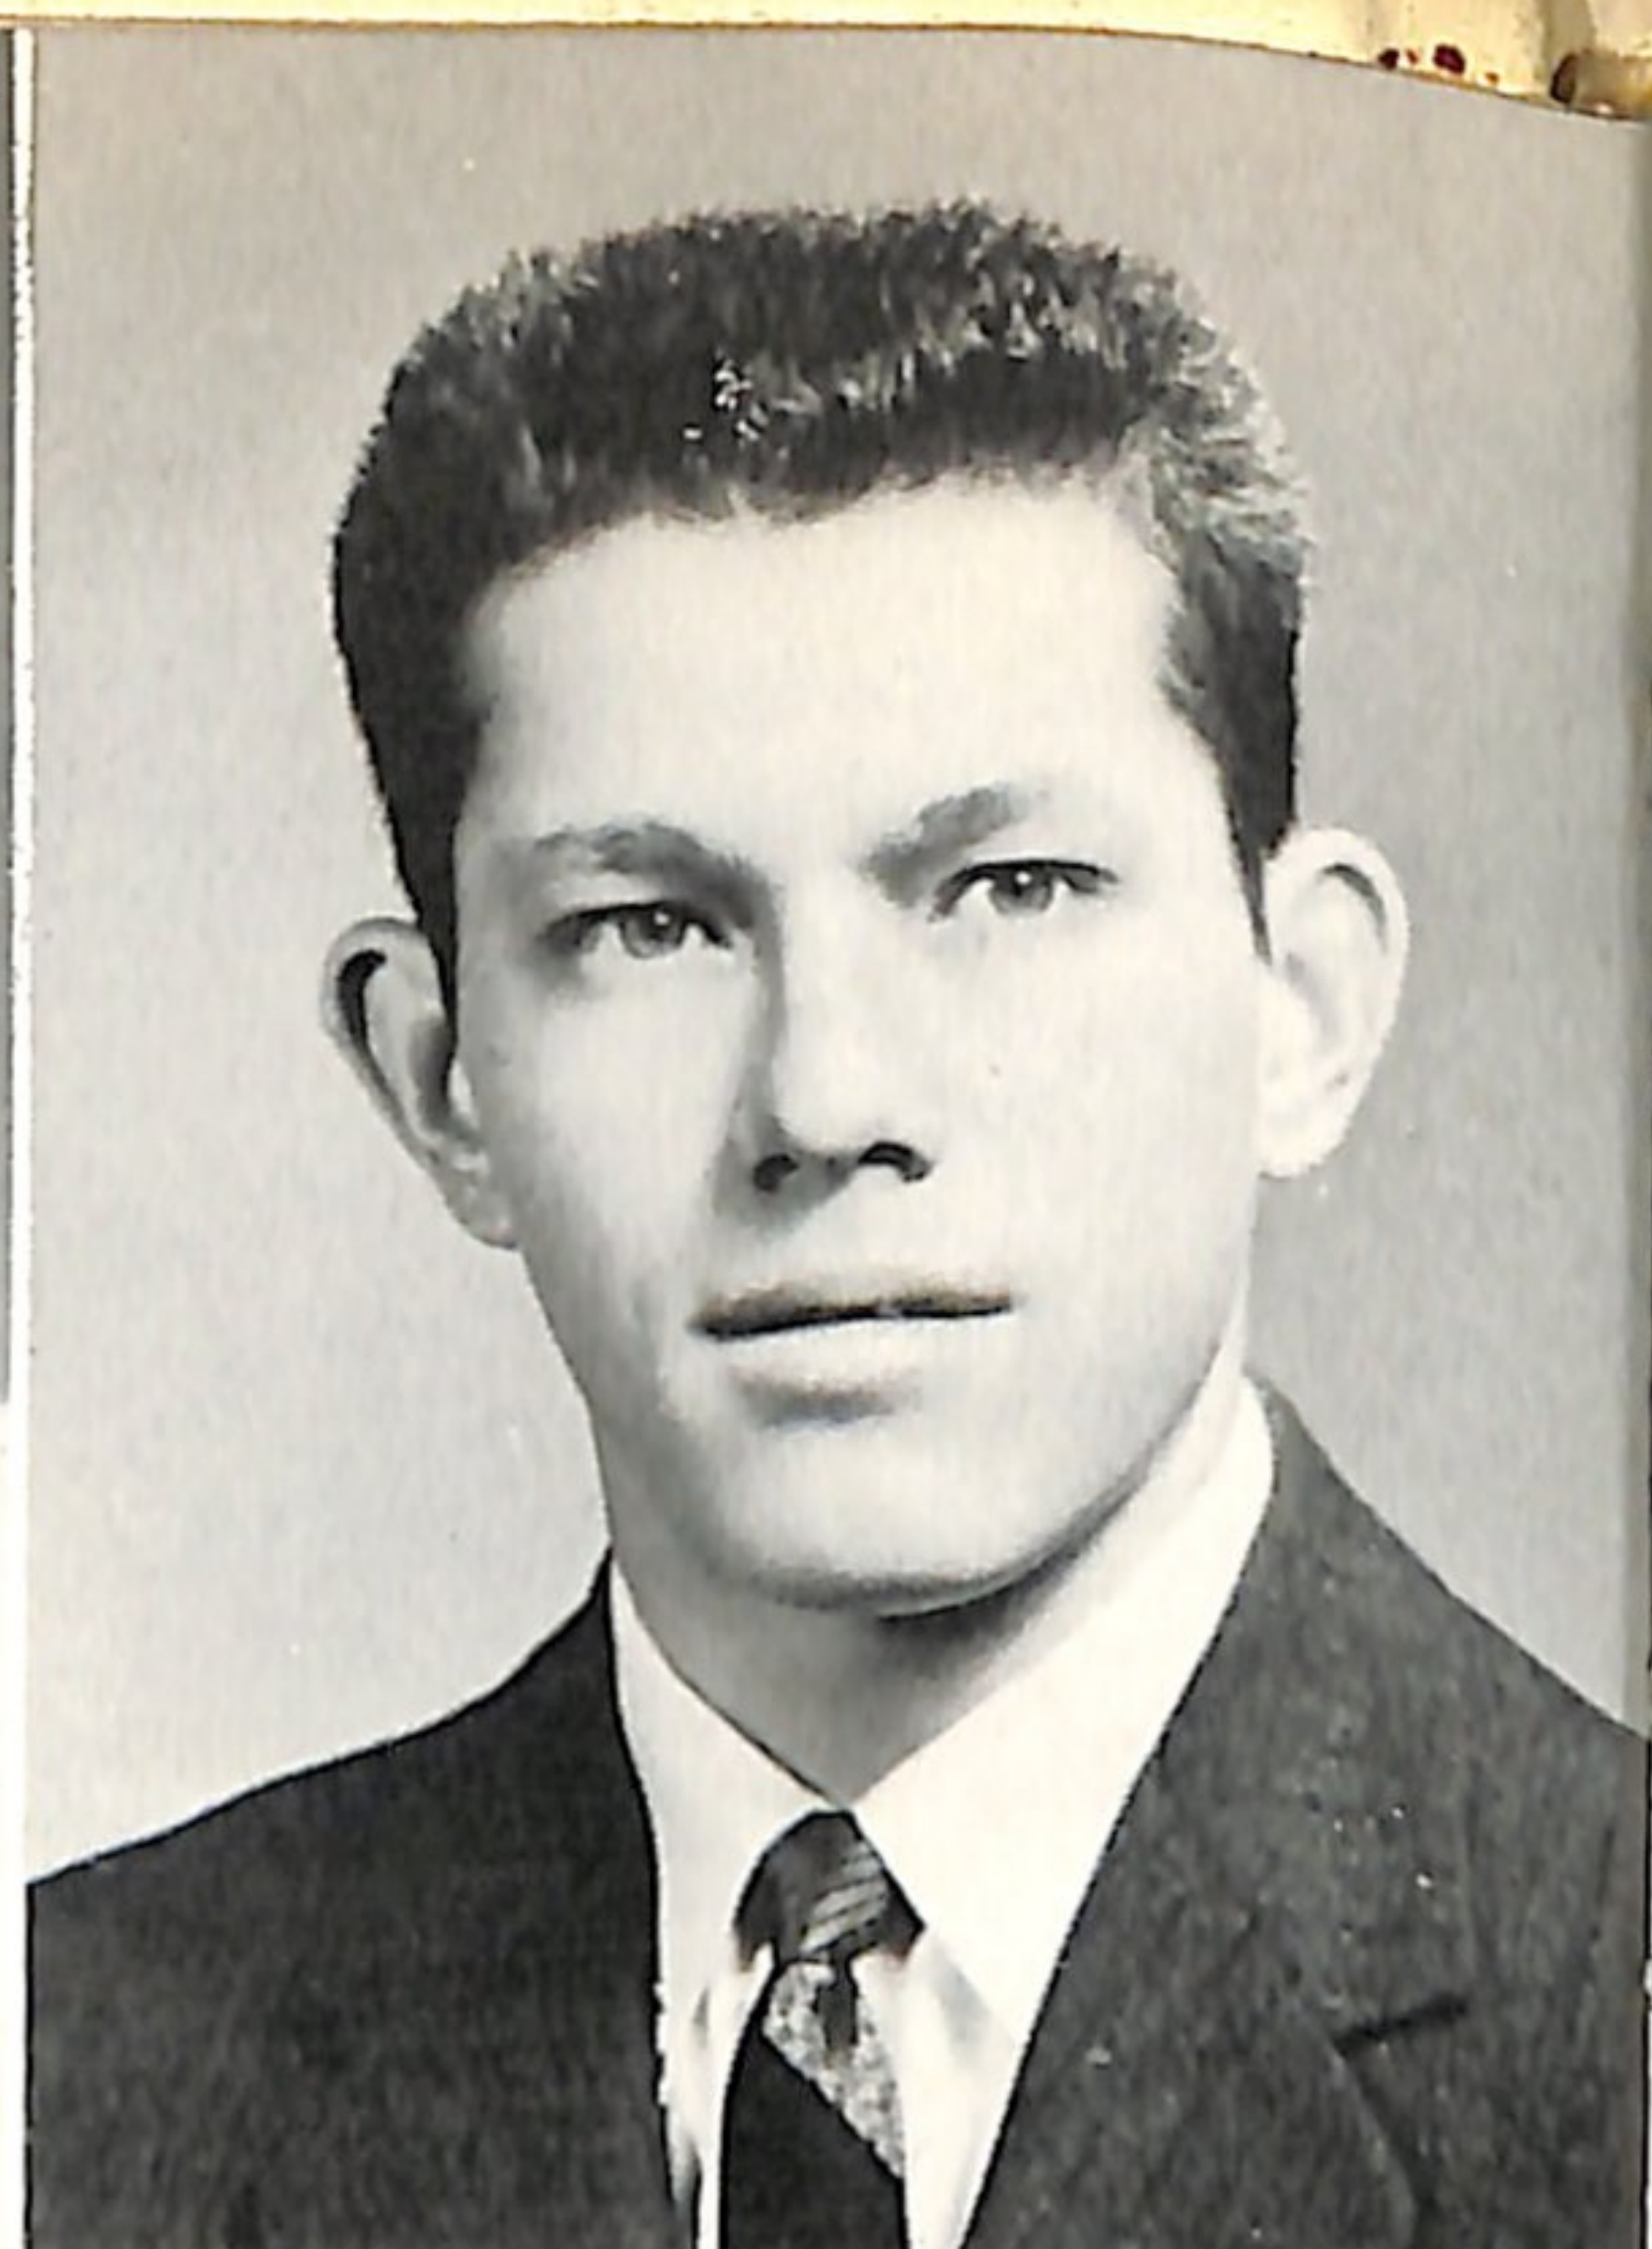

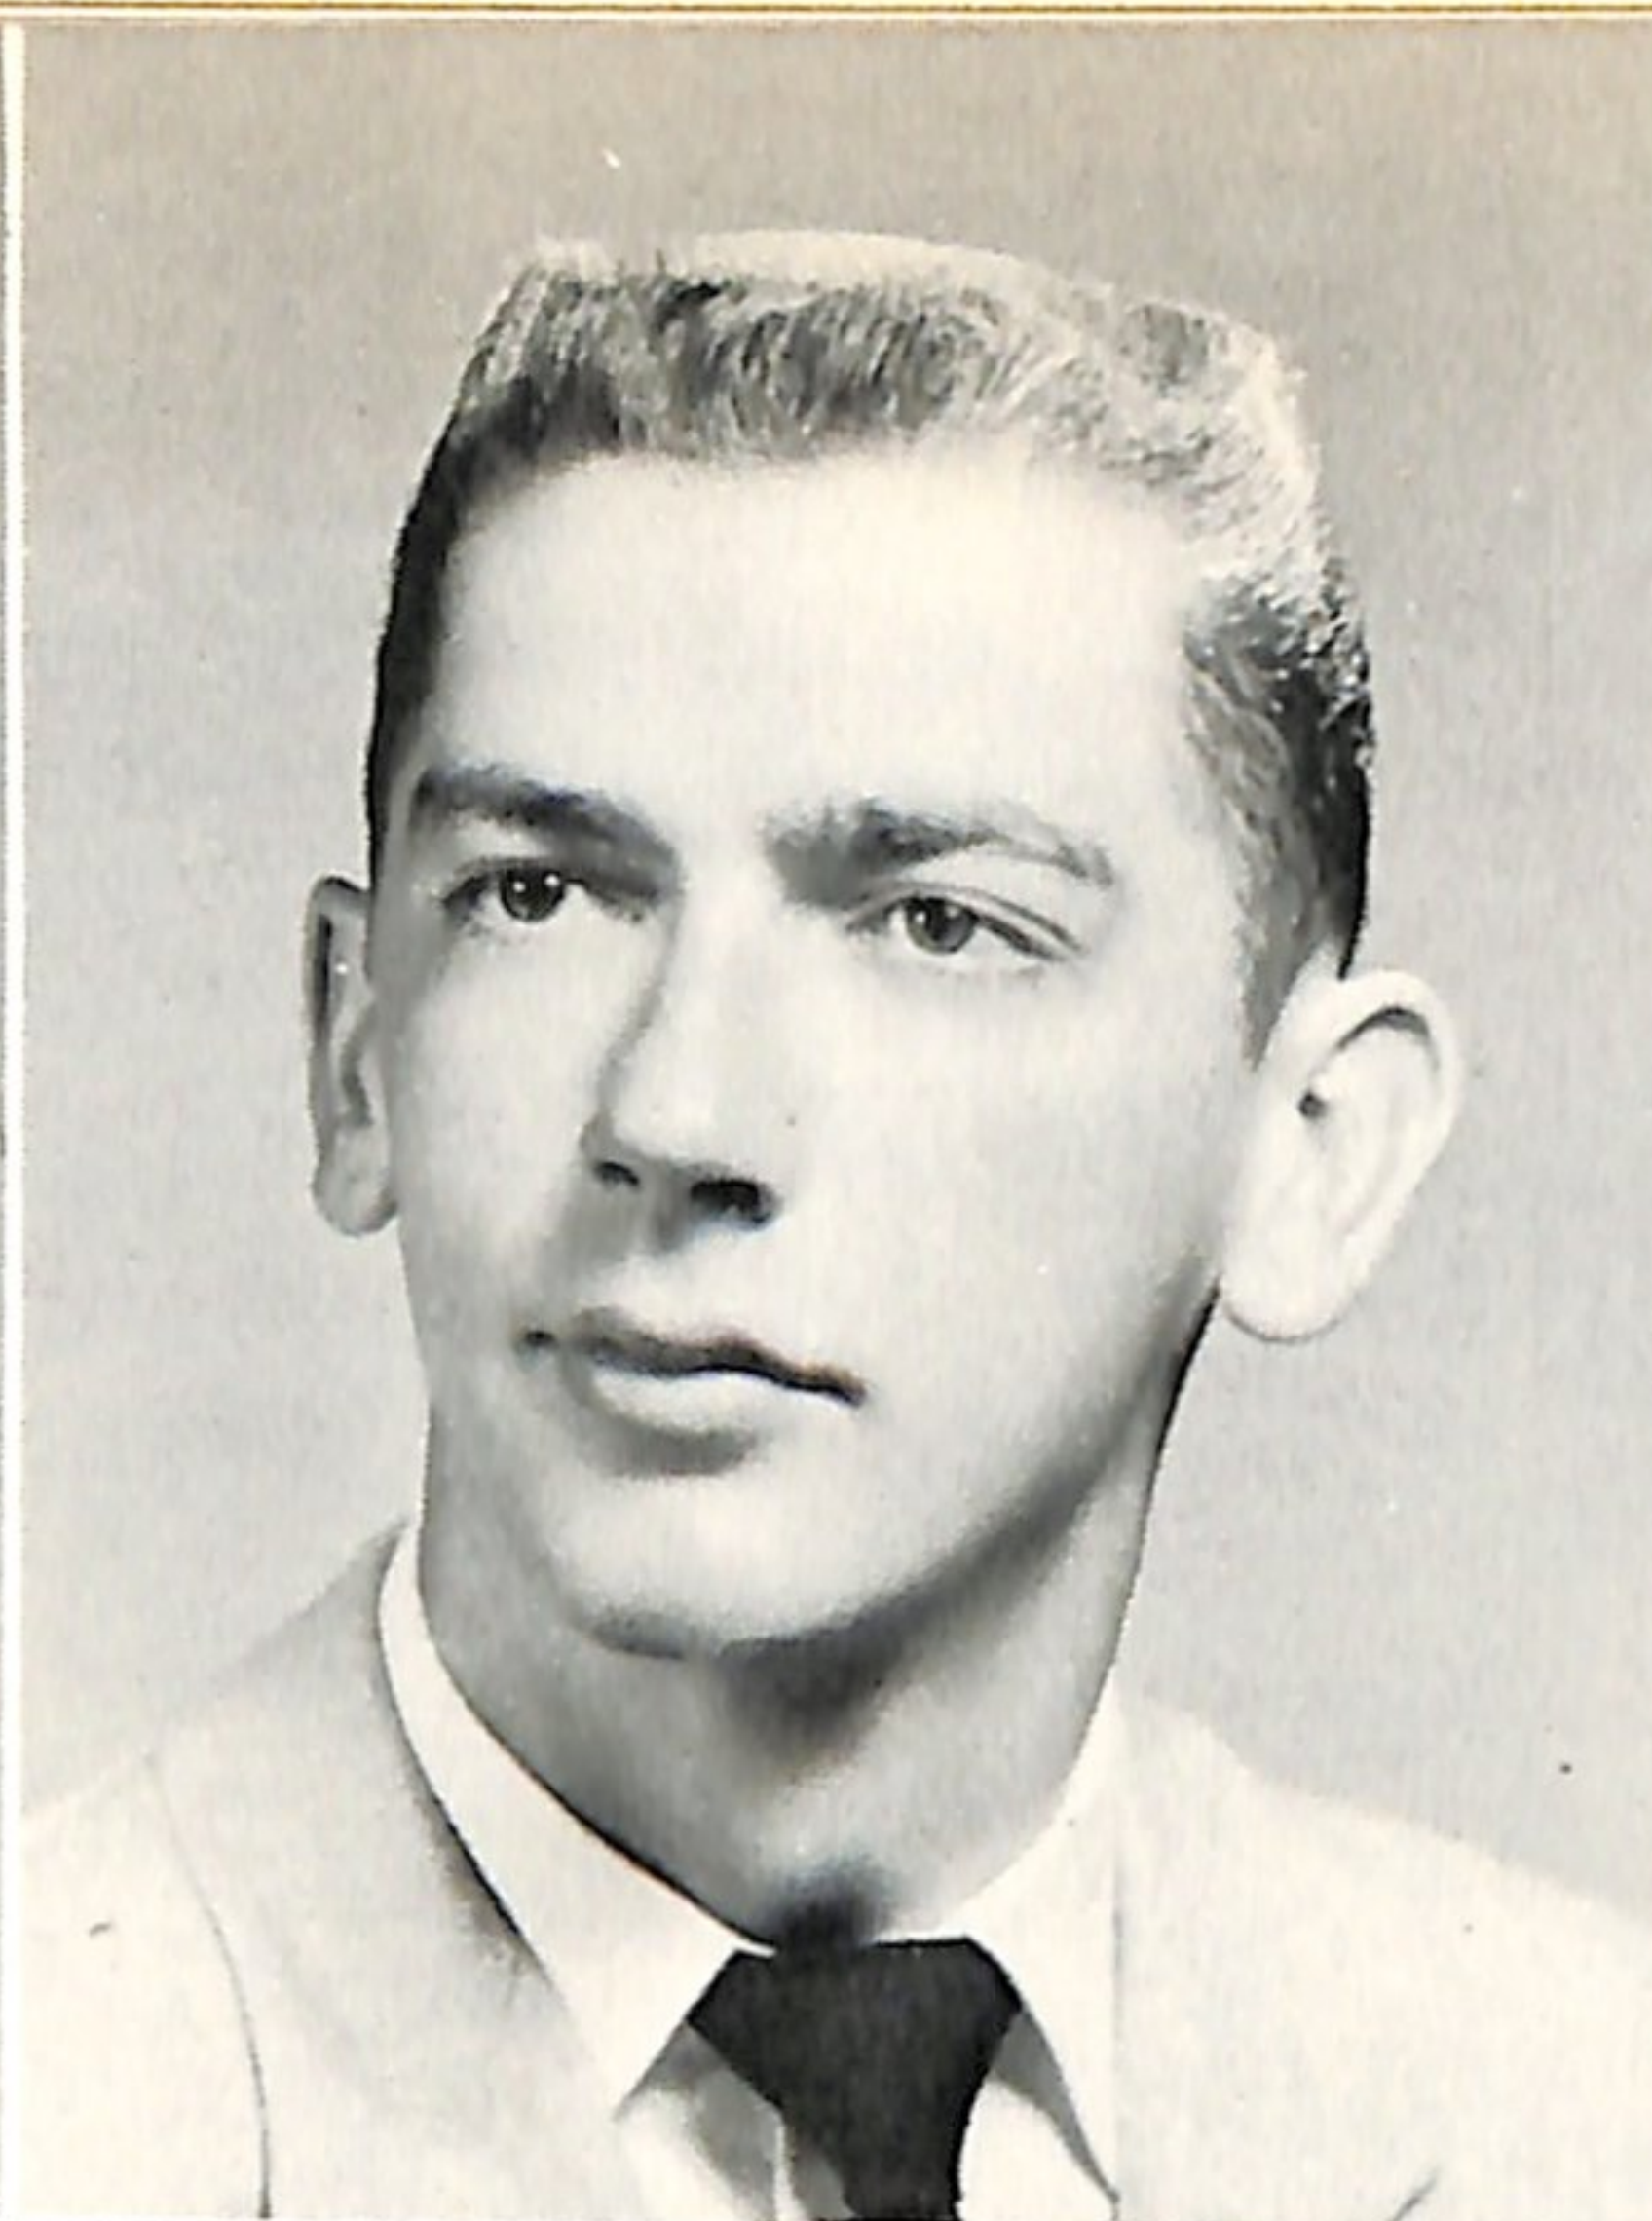

All too quickly our last year was upon us and we put Larry Stanley in charge of our class as president, Jim Alexander as vice-president, and Jo Ann Simmons as secretary. For nine memorable months we enjoyed our senior activities to the fullest and finally we graduated. All our four years of work was presented to us that night in the form of a diploma. We looked around, saw the faces of those who had helped mold our future and we were grateful. Slowly the realization spread over us that they would no longer be able to help us, that we now held our future in our own hands and would, for the rest of our lives. But those whom we looked upon had provided us with a firm foundation for that future.

New on the Armijo campus this year is the Cadet Corps, a body of about seventy sophomore, junior, and senior boys, whose smart uniforms have given both students and school a "new look."

The cadets, who train daily on the field or in class-room skill sessions under Captain Ivan Collier, have stood up under the rigors of official review by various inspecting parties during the year.

The reviewers have included Brig. Gen. Alfred F. Kalberer, commanding general of the 14th Air Division at Travis and Col. Carter Speed and Lt. Col. F. H. Forbes of the State Department of Cadet Corps; Captain E. Tyrell, regular Army advisor, 636 Field Artillery Battalion, Sacramento; inspecting parties from Mare Island Naval Base, and local Army N.I.K.E. Defense Base. A final review was held at Travis Air Force Base.

The Cadet Corps Color Guard presents the colors for P.T.A. and other meetings.

On duty for games, dances, and other functions is the M.P. unit of the Cadet Corps which serves to maintain order.

One of the most active clubs in the school, the Science Club, traveled to San Francisco for the Cinerama production "Seven Wonders of the World" and off to snow country for winter sports.

The experiment shown was supposed to put Judy Eddy's hair on end but the gadgets blew a fuse just before the picture was taken.

# FOOTBALL

With the passing of John Anabo and the running of Mike Dolloff, Mike Green, Bob Lozano and Cliff Tillotson, the Indians boasted a swift backfield in the 1956 team. The line was supported by big men such as Larry Stanley, Rick and Jim Alexander, Bob Lee, Jim Polk, Chuck Serpas and many others. All League games were won up to the last one. The Varsity beat Rio Vista 9-0, Vacaville 22-7, St. Vincent's 13-0, and lost to Benicia 6-19.

In a thrilling 56-53 game with St. Vincent's the Armijo Indians ended their last game in the S.C.A.L. with first place honors. Led by Captain John Anabo, the Indians defeated all of their League opponents with the exception of the first Benicia game. The second Armijo Invitational Basketball Tournament and the Gridley Tournament completed the season for Coach Hopkins' Varsity squad.

Some particularly brilliant play by Gary Falati and Gary Vaughn earned these two berths on the Varsity for the Invitational Tournament. The B's took second place in the S.C.A.L. only after three minutes of overtime play to break a first place tie with St. Vincent's.

## *Student Committee*

Credit for Armijo's First Annual Homecoming Celebration, a three-day affair last October, goes to both student body and town's people who cooperated under the joint chairmanship of Alan Rossi and Armijo Booster, Dick Rowe. Following a Wednesday old-timers' luncheon at the school, a colorful parade did credit to the work of Police Chief Rex Clift and Donna Damboise and many of Fairfield's new car dealers. The cavalcade led to a pre-game rally organized by Sharon Van Scyoc and Fred Hanneman with talent provided by Nick Peters. The 13 Queen contenders were auctioned at a penny a vote-first-dance to the final bidder. Mike Green and Gary Drummond did a top job of advertising and promotion in co-operation with J. Cliff Toney and Bob Retzer for the Armijo Boosters. Joint sponsors, the Block A society and The Armijo Boosters look forward to another Homecoming Celebration due to the great success of this initial venture.

Chairman Alan Rossi crowns Queen Audrey Mashburn, and congratulates attendants Anna Royston, Rae Ann Toney, Barbara Hasbrouck and Barbara Hinds.
